# **BURIAL FEES FOR NON-RESIDENTS ARE DOUBLED**

# Town and Country Planning Act 1990 Weekly List Of Decisions Week Ending 4<sup>th</sup> December 2020

HOUSE/MAL/20/01138 Tollesbury East

Single storey front and rear extensions 7 Valkyrie Close Tollesbury Essex CM9 8SL (UPRN - 100090565144) Mr L Swift

## **REFUSE** for the following reasons:-

The proposed front extension, by reason of its design and depth, would result in an unsympathetic and incongruous addition to the dwelling that would result in demonstrable harm to the character and appearance of the host dwelling, the group of semi-detached bungalows of which it forms part and the locality. The development is therefore contrary to policies D1 and H4 of the approved Maldon District Local Development Plan, the Maldon District Design Guide and the NPPF

#### From Cllr Clare

#### **Background Note**

The Terms of Reference for the Tollesbury Strategic Futures Panel were drafted by Cllr Lankester and me, after discussions with the Chairman, Simon Plater.

The Panel is primarily intended to give the village an opportunity to share and exchange information about climate change and the likely impacts of climate change on Tollesbury; and to learn about options and to collate possible strategic responses.

The nomenclature proposed - "Panel" - is deliberate. The Panel is 'strategic', taking a long-term view. It is not a 'Committee', dealing with the here and now. It is not a decision-making group.

The information in the Panel's report will likely be useful to the Parish Council for other purposes, for example responding to the Neighbourhood Plan and other District and County level enquiries.

The Panel does not replace any current governance arrangements.

If approved, it will be able to involve selected experts; and also to enable participation by residents of all ages and backgrounds - especially our younger folk, for whom climate change will have the longest lasting and most profound significance.

Once the Panel has prepared its report, it would stand down.

I would be happy to field queries.
