**Subject:** Parking

Hi there....

Just seen your facebook post about the next meeting and wondered am I able to suggest a item to be discussed without being there at the forth coming meeting?

It was just a thought as so sunny today and the car park is full at scout hut and people parking up road etc as taking canoes out etc that the council I feel need start looking at parking ideas for the future as no doubt if anything it be like past couple years? Also too with Five Lakes becoming a holiday resort this mean more tourists too as Tollesbury is on its doorstep.

I'm sure someone else may already suggested it but just thought message in case not!!

**Subject: For next Parish Council meeting**

For the attention Tollesbury Parish Council.

Noticing already that Tollesbury is becoming busier due to sunny weather especially the past week I wondered if the need for visitor parking could be placed on the agenda to be discussed.

Currently the Scout Hut car park is not large enough on busy days with then visitors having to park up along Woodrolfe Road which then causes further issues for lorries accessing the business parks towards the waterfront area.

With Tollesbury becoming increasingly popular as a place to visit for a day trip and too with Five Lakes becoming a holiday resort I feel we really need to be looking for solutions going on the past couple of years experiences.

It also too be worth mentioning that people who live in Tollesbury or locally who have a boat on the waterfront are too finding it increasingly harder to park near to this area especially when having to drop off out board motors off etc and therefore whilst looking at the parking issues I wonder if this could be possibly looked into that possibly with a new parking those that are resident in Tollesbury are able to park for free for example as as much as it be great to not use a car, carrying or cycling with a ie outboard is not practical sadly.

Just thought too I wonder if Harbour Veiw would be interested in allowing those that are Tollesbury residents to pay a fee to use their car park especially when in the summer periods they have more parking?

Regards

# Public notice

## The Essex County Council (Footpaths 22 and 28, Tollesbury, Maldon), (Temporary Prohibition of Use) Order 2022

**Notice is hereby given** that the Essex County Council has made the above Order under section S14(1) of the Road Traffic Regulation Act 1984 (as amended).

### Effect of the order:

To temporarily close Footpaths 22 and 28, in the Parish of Tollesbury, in the District of Maldon. Footpath 28 from the stock gate near the RSPB Old Hall Marshes Office, in a north-westerly direction, till the next RSPB stock gate. For a distance of approximately 472 metres. Footpath 22 from the RSPB stock gate on the counter wall to the large area of hardstanding where access to the footpath on the seawall can be gained using the seawall steps. For a distance of approximately 1,100 metres.

The closure is scheduled to commence on 01 August 2022 to 31 November 2022 or where appropriate signs are showing and weather permitting. The closure is required to allow for ecological improvement works to take place.

Alternative route for Footpath 28 will be via a Permissive footpath managed by the RSPB, known locally as the "Goose friendly path", and vice versa.

Alternative route for Footpath 22 will depend on the phase of the works: Where possible the footpath will be diverted onto the counter wall adjacent to footpath 22 whilst closed. This crosses the main track and back onto the seawall signage. Another alternative route for Footpath 22 will be via Footpath 29, around the remainder of the seawall circular route to the RSPB car park and then back onto Footpath 22.

The Order will come into effect on 01 August 2022 and may continue in force for 6 months, or until the works have been completed, whichever is the earlier.
