Dear Councillor

I have recently been made aware of an initiative in another part of the country to commemorate The King's Coronation. It impressed me so much that I thought I would give it some wider publicity and let you know about it. The plaque is the result of a collaboration between HM Lord-Lieutenant of Shropshire, Anna Turner and the British Ironwork Centre, Oswestry. It involves the design and manufacture of a Coronation plaque and its distribution amongst at least 20 towns and organisations in Shropshire to commemorate the Coronation and to serve as a lasting legacy of this significant occasion. The plaque looks attractive, as you can see from the diagram below. After making some enquiries, I am informed that the plaque is made of 3D Deluxe stainless steel and measures 500mm in diameter and 3mm in thickness. Each plaque costs £199.00, including delivery, which is near enough cost price. Examples of the plaque can be seen below, as too are contact details for the British Ironwork Centre and its Chairman, Clive Knowles should you wish to follow up. I am told that this offer will remain open throughout 2023, so there is no immediate hurry to place an order before the Coronation, but the opportunity can be considered at leisure in the period after the Coronation. I am sending this information in case you might be interested.

For more information, please contact:

With very best wishes

Flexible Accounting and Administration Solutions

Rialtas Business Solutions have been a leading provider of software solutions to Town and Parish Councils since 1996. This breadth of experience has led to innovative solutions, that are simple to use, and backed up with highly knowledgable support staff.

With software encompassing Accounting, Facilities Booking, Assets, Allotments, Cemeteries and Planning, we offer solutions in key areas of council administration.

Our industry leading Alpha and Omega financial software provides a complete accounting solution, tailored to councils of varying sizes. For all of our Accounting and Administration solutions we provide on-line demonstrations on a no-obligation, no-cost basis. With our solutions we provide full configuration, training and support.

The cloud - challenges and opportunities

With Rialtas unlike some of our competitors, you are not locked into one cloud computing provider. A flexible approach allows you to use one of our recommended cloud partners, your own choice of provider, or you can host in house.

Flexibility to choose your cloud provider, is becoming increasingly important, so that you are not locked into a single cloud. With some providers you are locked into their cloud hosting, often meaning you lose access to the solution and your data at the end of the contract. Our solution can move to a new cloud provider retaining access to the solution and your data.

An impressive base of over 900 Town and Parish Councils gives us the ability to invest and innovate for your changing needs. Customers get the latest updates and features by being part of the growing Rialtas community. So we hope to welcome you to it soon.
